

2021 JUNIOR GOLF CAMP

COVID-19 SOCIAL DISTANCING REGULATIONS

Masks:

Masks must be worn at all times. The sessions are all in the evening so it will be cooler weather to tolerate wearing a mask for the full hour.

Social Distancing:

We will have clearly marked spaces for each kid to stand in, separated 8ft apart.

Borrowing Clubs:

All clubs will be sanitized before and after each use. Please notify the camp leaders when you arrive that you need to borrow clubs. We will get you sized and ready for the day.

Ball Cleaning Procedure:

We will have the balls sanitized before and after each class. The instructors will wear gloves and pick up all the balls with a shag bag. We will instruct the kids to not touch the balls to keep cross contamination low.

Drop off and Pick up:

We will have a single file line marked. Adults and kids will social distance when signing in each day. Masks will be worn during pick up and drop off.
